H-1B active since October 2026

## EDUCATION

**University of Washington, Seattle, WA** Sep 2022 – Jun 2025

Bachelor of art in Communication; Minor in Informatics | **GPA: 3.91/4.00**

**Awards:** Dean's List (2022-2024) | Communication Department Scholarship (2024-2025)

## EXPERIENCES

**Lani Cao Law Office | Bellevue, WA** Mar 2025 - Present

*Public Relations Specialist (Previously Marketing Strategy Intern)*

- Led integrated online and offline multi-channel marketing and lead generation through digital campaigns, industry conferences (CIE/USA-SEA, AILA), and community partnerships, driving **10×** monthly follower growth and **20%** more client inquiries, as firm revenue grew **2.4×**.
- Built and managed the firm's monthly content marketing / newsletter program from scratch, overseeing editorial strategy, content, design, printing, and distribution; led PR, stakeholder communications, client relations, and case operations.

**Sina Weibo (Chinese X) | Shanghai, China** Jun 2024 - Sep 2024

*Business Data & Strategy Intern, Automotive*

- Collaborated on B2B media strategies for five automotive brand accounts, tailoring Weibo paid-media advertising packages featuring sponsored trending topics, premium search placements, and KOL campaigns to advertiser objectives; analyzed reach, engagement, and CTR to optimize media recommendations and support advertising sales.
- Built Tableau KPI dashboards tracking audience reach, posting frequency, and engagement for 80+ automotive executives across 12 automotive groups, translating performance insights into advertising recommendations; also supported the onboarding of **100+** verified industry leaders.
- Conducted real-time social listening and competitive intelligence across 15+ automotive brands, analyzing consumer sentiment, vehicle positioning, and competitor campaigns to identify reputation risks and inform brand differentiation strategies.

**Includrs/Datedocs | Seattle, WA** Mar 2024 – Jun 2024

*Social Media Management Intern*

- Produced 40+ posts and 15 videos in Premiere Pro and After Effects for organic Instagram and TikTok campaigns, increasing followers **15%** and registered users **20%** with zero paid media.
- Coordinated local partnerships and cross-promotional campaigns with three Seattle-area businesses and two UW student organizations, managing partner outreach and event promotions to expand community engagement and campus visibility, lifted sign-ups **12%** and delivered **8K+** campaign impressions.

**Ogilvy | Shanghai, China** Nov 2023 - Jan 2024

*Media Strategy and Advertising Planning Intern | Mercedes-Benz Account*

- Developed Gen Z consumer insights for Mercedes-Benz through social listening and audience research across viral social media platforms, analyzing preferences and engagement patterns among 120+ Gen Z consumers and translating findings into three data-driven advertising proposals to inform youth-focused brand positioning and creative strategy.
- Delivered campaign performance and market intelligence for six live automotive campaigns: aggregated purchase-behavior data from 10+ brokerage and dealership platforms, modeled trends across five regions in Power BI, and tracked supply, traffic, and content performance; recommendations drove real-time optimizations that lifted localized click-through and engagement **12%**.

## LEADERSHIP & OTHER AFFILIATIONS

**Independent Content Creator & Influencer (KOL) | RedNote (Xiaohongshu)** 07/ 2025 – Present

- Built a personal brand from scratch, growing to **3K+ followers within six months** and achieving peak content exposure of **500K+** impressions through organic content strategies.
- Secured paid advertising sponsorships and managed partnership negotiations with 20+ brands, overseeing campaign coordination, sponsored content creation, and brand communications.

**Web Designer & Developer | LGBTQ+ Youth Support Website** 01/ 2024 – 04/2024

- Independently designed and developed a responsive website integrating UX/UI principles, original content, and multimedia storytelling to support LGBTQ+ youth, earning faculty recognition.

**Co-Founder & Marketing Lead | Handcrafted Pet Products E-commerce Brand** 06/ 2023 – Present

- Founded a B2C handcrafted pet products brand and led online influencer partnerships and offline promotional campaigns, growing its social media audience to approximately 5K followers.
- Managed end-to-end e-commerce operations, including product selection, design, international logistics, and A/B testing to optimize marketing strategies and product positioning.
